

On the Subject of The Boob Tube

Extra points if you can defuse this without getting demonetized!

Did you know that “Boob Tube” is just one of the many nicknames for Television?

The module will display six words that sound dirty, but actually aren't. All you have to do is press the words in alphabetical order based on their commonly used counterparts.

For example, given the phrases “Boob Tube; Fanny-Blower; Nestle-Cock,” the correct order would be “Fanny-Blower; Nestle-Cock; Boob Tube,” according to the dictionary given below.
